Notes and Comments:

1. 80" lightbar has 4 center sections (not pictured). 91" lightbar has 5 center sections (not pictured).
2. *In order to meet the minimum requirements for 360° warning according to the applicable SAE standard, all lightbars must have outboard: (two) rotators or (four) corner strobe heads and power supply or two O/B LEDs. Lightbars sold without at least the above will be designated as not meeting the minimum SAE standard.
3. ADMKIT Mounting Kit included with Build-Your-Own Bars. Mounting adapter additional charge. Must specify vehicle model/year when ordering.
