### WARRANTY INFORMATION

Code 3 emergency/warning devices are tested and found to be operational at the time of manufacture. Code 3 guarantees all parts and components except the lamps for a period of 1 year (unless otherwise specified in writing by Code 3) from the date of purchase or delivery, whichever is later, provided they are installed and operated in accordance with manufacturer's recommendations. Units demonstrated to be defective within the warranty period will be repaired or replaced (at Code 3's sole discretion) at the factory service center at no cost. Provided this product is installed and operated in accordance with the manufacturer's recommendations, Code 3®, Inc. warrants all parts and components (with the exception of all incandescent and halogen bulbs) of the product to be free of defects in material and workmanship for a period of one (1) year and TriCore light heads for a period of five (5) years from the date of purchase. This Warranty excludes normal wear & tear. Units demonstrated to be defective within the warranty period will be repaired or replaced at the factory service center at no cost. Code 3, Inc. will return the repaired product with transportation cost prepaid.
