

HB4PAKMC-RB

Versatile, Flush-mount Emergency Light

4-Pack LED Hide-A-Blast™

Benefits

- Enables transformation of low-profile or undercover vehicles into high-impact police cruisers with its covert, ultra-slim, flush-mount design
- Provides additional bright warning light for external and internal vehicle applications in unique areas such as lift gates, tailgates, running boards, fenders, push bumpers, etc.
- Weather and vibration proof the 4-Pack Hide-A-Blast™ is easy to install, and comes with numerous pre-loaded flash patterns to help warn drivers and pedestrians
- Allows synchronization with multiple units to increase vehicle lighting visibility

Design Features
